ABANDONED WATERCRAFT ABATEMENT FUND
APPLICATION QUESTIONNAIRE

1. Does your agency have a local marine law enforcement detail tasked with addressing abandoned vessels in your jurisdiction? Does your agency have a submerged navigational hazard abatement plan? Please provide detailed answers to these questions.

2. Please list by name and size the bodies of water or waterways your agency is responsible for in its jurisdiction.

3. Referencing question # 1, which bodies of water or waterways experience the most recreational boating use? How many abandoned “recreational” vessels are located within these waterways?

4. If awarded an AWAF grant, how will the grant funds help enhance recreational boating in your area?

5. Local agencies are required to make a 10 percent cash contribution. Is your agency able to comply with the 10 percent cash contribution in advance before any grant money is reimbursed?
