

FREE DOCKWALKER TRAINING

This workshop trains volunteers to become “Dockwalkers,” who conduct face-to-face boater education about environmentally-sound boating practices.

Receive free educational materials to distribute to boaters at marinas, boat launch ramps, boat shows, and special events. The efforts of Dockwalkers increase boater awareness about clean and safe boating, thus improving the recreation experience in California while helping to preserve its precious wildlife habitat and water quality.

April 26th, 2014 – Oceanside

10 am – 12:45 pm
