1) In the GENERAL tab, this Contact page requires you to add your name and information as the primary contact and then complete additional Contacts pages to provide names of other staff in your agency that will be responsible for grant management.

   If any staff will be active in creating or working with the OLGA grant process they will need to be listed in the Contacts page(s), and complete a User Profile first in order for you to assign them access to the grant application in OLGA (Step 8: Assign Agency Users).

2) OLGA will provide another blank page for contacts; if no other names are to be added, click the **SAVE** button (on left, no arrow), then click the **VALIDATE** button. This will save your information for this page, and check for any errors in the "General" tab before you move to the next section. If there are errors, you will receive a pop up message identifying those errors to fix. If so, click on the small box to the left of the error message to move to that section/page, complete each correction, click SAVE and VALIDATE to save and confirm or continue to the next error. Once finished the VALIDATION pop-up will state no errors. Click OK in the pop up, then use the right navigation arrow to move to the next tab/section to continue.
