

**CSMW WORKSHOP SERIES
RESOURCE PROTECTION GUIDELINE DEVELOPMENT
RELATED TO COASTAL REGIONAL SEDIMENT MANAGEMENT**

Workshop 2

Directions and Participation Information

Date: February 24, 2010

Time: 10:00 am to 3 pm (working lunch - \$8.50 or \$11.00)

Region: Northern California, Location: Sacramento

Location: Cal EPA Building, 1001 I St., Sacramento, CA

Meeting Room: Klamath Training Room, second floor

Logistics: Must check-in with Security and get a visitors badge. No restrictions on cell phones. Closest parking is in the City Hall Garage next to Caesar Chavez Park. Coffee is available in the building cafeteria on the first floor. There is also a Starbucks on 9th St. across from the park (about 1 1/2 block from our building). A map is available at the web address below.
http://www.downtownsac.org/digital_assets/pdfs/resources/downtown-parking-map.pdf

Lunch: A lunch order form is being sent with agenda. We have been requested to provide in advance of meeting, if possible. Please send e-mail with your lunch choice to Karen Green (greenka@saic.com) by February 17. It would be helpful if correct change is brought the day of the meeting to cover your lunch choice (either \$8.50 or \$11.00).

Attending the Conference Online:

1. Go to
<https://waterboards.webex.com/waterboards/j.php?ED=103143807&UID=0&PW=NZDI3Y2ZiNzIi&RT=MiMO>
2. Enter your name and email address.
3. Enter the meeting password: pass
4. Click "Join Now".

Attending the Workshop by Teleconference:

Call-in toll-free number: 1-866-905-0102

Attendee access code: 650 465 4

Local Contact Telephone Number:

George Nichol, (916) 341-5504, cell (916) 844-5271

Back-up: Toni Marshall (916) 322-2518

**CSMW WORKSHOP SERIES
RESOURCE PROTECTION GUIDELINE DEVELOPMENT
RELATED TO COASTAL REGIONAL SEDIMENT MANAGEMENT**

Workshop 2: February 24, 2010

Location: Cal EPA Building, 1001 I St., Sacramento, CA
Meeting Room: Klamath Training Room, second floor

AGENDA

10 a.m. – 10:30 a.m.

1. Introductions
2. Workshop Purpose and Objectives
3. Resource Protection Guidelines and User's Guide Organization

10:30 a.m. – 12:00 p.m.

4. Water Quality Protection During Sediment Management Projects
 - a. Issues of Concern
 - b. 401 Requirements (Methods, Reporting, Standardization Considerations)
 - c. Surface Water Ambient Monitoring Program Methods and Quality Assurance Procedures
 - d. Types of BMPs and Effectiveness Considerations
 - e. Round-Table Discussion of Guideline Development Considerations
 - i. Monitoring Methods
 - ii. BMPs
 - iii. Data Gap Considerations

12:00 to 1:30 p.m. [Working Lunch]

5. Water and Sediment Resource Protection in Watersheds
 - a. Issues of Concern
 - b. Sediment and Stormwater Management
 - c. Maintaining Natural Sediment Delivery to Coast
 - d. Round-Table Discussion of Guideline Development Considerations

1:30 to 3:00 p.m.

6. Sediment Management and Resource Protection in Managed and Recreational Areas
 - a. Sediment Management Needs
 - b. Issues of Concern
 - i. Endangered & Threatened Species
 - ii. Water Quality
