

Public Notice:

**WORKSHOP
on the
CALIFORNIA COASTAL SEDIMENT MANAGEMENT
MASTER PLAN**

**Thursday March 25, 2004
10:00am
Newport Beach Central Library
1000 Avocado Avenue
Newport Beach, CA 92660**

Other Workshops are being scheduled in the Santa Barbara / Ventura area, Monterey Bay, San Francisco Bay and Eureka later this spring. A workshop is being held in Los Angeles on March 17th. A San Diego region workshop was conducted on February 5th.

This workshop is for the purpose of obtaining comments from the public, including representatives of public agencies, private and non-profit organizations, and interested individuals, as the Sediment Master Plan process is being initiated. The Sediment Master Plan is being prepared by the State of California Resources Agency and the U.S. Army Corps of Engineers. The Sediment Master Plan focuses on developing an implementation strategy for integrated, region-wide solutions to sediment management problems. Examples of the issues to be addressed by the Sediment Master Plan are beach erosion and excess sedimentation in coastal wetlands and harbors. Visit the Sediment Master Plan website for details and for the schedule of upcoming workshops:
